

Dear Students,

As part of the preparations for the White Coat Ceremony on 12th October, all students are instructed to purchase and keep their white lab coats (aprons) ready in advance.

Specifications for the White Lab Coat

- Colour: Pure white.
- Sleeves: Half-sleeves only.
- Length: Mid-thigh length.
- Design: Standard lapel-collar design.
- Pockets: At least two deep lower pockets to accommodate examination tools and other essential items.
- Size: Choose a coat one size larger than your usual shirt size to ensure a comfortable, slightly loose fit.
- Logos and Emblems: No logos, college emblems, or other embroidery should be present on the coat.
- Quantity: A minimum of 2–3 coats are recommended for alternate use.

Students may purchase the coats from Madurai Medical College (ask for without any emblem or logo) or any other suitable supplier, provided they meet the above specifications.

All students are requested to ensure that their coats are ready before 12th October, the day of the White Coat Ceremony.

Regards,

Dean In-Charge (Academics)
