**Sub: Completion of Student Profile Updation in eSLCMS Application – M.B.B.S. 2022 Batch – Reg.**

Dear Students,

It has been observed during the review of the eSLCMS application that most of the students of the M.B.B.S. 2022 Batch have not yet completed their profile updation, which is essential for further processing in the application.

In this regard, a technical representative from CDAC, responsible for the implementation of the software, will be available to assist the students in resolving technical issues and completing their profile updation as per the following schedule:

**Date: [31.10.2026]**

**Time: 03:00 PM to 05:00 PM**

**Venue: Dining Hall, Permanent Campus, AIIMS Madurai.**

**Attendance of all students of the M.B.B.S. 2022 Batch is mandatory.** All students are hereby instructed to attend the session and ensure that their profile updation is completed without fail.

Students are advised to bring their **Laptop (preferably) or Tablet** for completing the process. It is informed that profile updation through mobile phones may take considerably more time. Hence, students are strongly encouraged to use a Laptop or Tablet to facilitate faster completion.

All concerned students shall strictly adhere to the above instructions and complete the profile updation within the stipulated time.

This is issued with the approval of competent authority.
